

Access School Consents & Release

Student: _____

TUITION AND FINANCIAL OBLIGATION

I understand that my decision to enroll at Access School means that I undertake a financial obligation to pay the entire tuition cost and that tuition, including lab fees are never refundable. I also understand that a payment schedule has been created to accommodate payments, but that the payments do not in any way reflect programming or school services charged by the week or by the month.

TRAVEL

I permit my child to travel with a school staff and/or an approved parent volunteer, for recreational outings and/or any emergency. In the event of a medical emergency, I understand that 911 will be dispatched to the school, and that Access School will contact the parent/guardian or any other emergency contact names currently listed with the school and that we therefore release Access Education LLC, from any liability resulting from any medical emergency.

SCOLIOSIS (applicable to grade 6 students only)

I am certifying that my child has been tested for scoliosis as she/he enters grade six (6) at this school.

PHOTOGRAPHIC RELEASE

I hereby assigns and grants Access School and its legal representatives the irrevocable and unrestricted right to use and publish photographs of my child, which may be included, for editorial, trade, advertising or any other purposes and in any manner and medium; to alter the same without restriction; and to copyright the same. I hereby release ACCESS SCHOOL and its legal representatives and resigns from all claims and liability relating to said photographs. It is agreed that ACCESS SCHOOL may display and use the photographs taken for advertising, display, website and internet promotion, photographic contests, public display such as in malls, photography books, store fronts, window displays, museum display, television advertising, magazine advertising and other purpose thought proper by ACCESS SCHOOL.

SCHOOL COMPUTERS and SCHOOL MATERIALS

I understand that my child will be assigned a computer, which will not be shared with any other student, and that he/she will remain directly responsible for that equipment for the duration of the school year. Should the equipment become damaged or lost, due to mishandling or negligence, I agree to refund the school \$350 to replace the computer.

I also understand that my child must properly handle all other school materials and I agree to replace school materials (and property), which has been damaged or lost.

I understand and agree with the above.
